A Mensagem

A major focus of the Center's work is the study of the changing role of youth in contemporary society. The Center's youth programs are designed to provide youth with the opportunity to become active participants in the development of their communities. The Center's youth programs are designed to provide youth with the opportunity to become active participants in the development of their communities.

[illegible]

The following information was obtained from the records of the Department of Health, Education and Welfare, Washington, D.C., regarding the case of the individual mentioned above.

It was not until 1930 that the first of the new buildings was built. The first building was built in 1930, and the second in 1931. The third building was built in 1932, and the fourth in 1933. The fifth building was built in 1934, and the sixth in 1935. The seventh building was built in 1936, and the eighth in 1937. The ninth building was built in 1938, and the tenth in 1939. The eleventh building was built in 1940, and the twelfth in 1941. The thirteenth building was built in 1942, and the fourteenth in 1943. The fifteenth building was built in 1944, and the sixteenth in 1945. The seventeenth building was built in 1946, and the eighteenth in 1947. The nineteenth building was built in 1948, and the twentieth in 1949. The twenty-first building was built in 1950, and the twenty-second in 1951. The twenty-third building was built in 1952, and the twenty-fourth in 1953. The twenty-fifth building was built in 1954, and the twenty-sixth in 1955. The twenty-seventh building was built in 1956, and the twenty-eighth in 1957. The twenty-ninth building was built in 1958, and the thirtieth in 1959. The thirty-first building was built in 1960, and the thirty-second in 1961. The thirty-third building was built in 1962, and the thirty-fourth in 1963. The thirty-fifth building was built in 1964, and the thirty-sixth in 1965. The thirty-seventh building was built in 1966, and the thirty-eighth in 1967. The thirty-ninth building was built in 1968, and the fortieth in 1969. The forty-first building was built in 1970, and the forty-second in 1971. The forty-third building was built in 1972, and the forty-fourth in 1973. The forty-fifth building was built in 1974, and the forty-sixth in 1975. The forty-seventh building was built in 1976, and the forty-eighth in 1977. The forty-ninth building was built in 1978, and the fiftieth in 1979. The fifty-first building was built in 1980, and the fifty-second in 1981. The fifty-third building was built in 1982, and the fifty-fourth in 1983. The fifty-fifth building was built in 1984, and the fifty-sixth in 1985. The fifty-seventh building was built in 1986, and the fifty-eighth in 1987. The fifty-ninth building was built in 1988, and the sixtieth in 1989. The sixty-first building was built in 1990, and the sixty-second in 1991. The sixty-third building was built in 1992, and the sixty-fourth in 1993. The sixty-fifth building was built in 1994, and the sixty-sixth in 1995. The sixty-seventh building was built in 1996, and the sixty-eighth in 1997. The sixty-ninth building was built in 1998, and the seventieth in 1999. The seventy-first building was built in 2000, and the seventy-second in 2001. The seventy-third building was built in 2002, and the seventy-fourth in 2003. The seventy-fifth building was built in 2004, and the seventy-sixth in 2005. The seventy-seventh building was built in 2006, and the seventy-eighth in 2007. The seventy-ninth building was built in 2008, and the eightieth in 2009. The eighty-first building was built in 2010, and the eighty-second in 2011. The eighty-third building was built in 2012, and the eighty-fourth in 2013. The eighty-fifth building was built in 2014, and the eighty-sixth in 2015. The eighty-seventh building was built in 2016, and the eighty-eighth in 2017. The eighty-ninth building was built in 2018, and the ninetieth in 2019. The ninety-first building was built in 2020, and the ninety-second in 2021. The ninety-third building was built in 2022, and the ninety-fourth in 2023. The ninety-fifth building was built in 2024, and the ninety-sixth in 2025. The ninety-seventh building was built in 2026, and the ninety-eighth in 2027. The ninety-ninth building was built in 2028, and the hundredth in 2029.
